Why we believe in Adventure

District Gravity is a celebration of the spirit of Adventure, an inheritance of the legacy of pioneers and pathfinders, of minds that believed in the possibility, of stories of courage that continue to inspire us to this day.

We at District Gravity believe in the power of a safe and guided adventure experience to reintroduce individuals and teams to the possibilities of taking the first step, the fun of overcoming obstacles, the dynamics of working together as a team.

*Do you think
you have to travel
to a different country
to unleash your
adventurous side and
explore activities?*

If your answer is yes,
then you are mistaken!
District Gravity, located just a
few kilometres from Hyderabad,
is a mix of everything
adventurous.

Reasons to Visit District Gravity

Where else can your team find yourself rappelling down vertical walls or tackle mid-air obstacles while you learn to trust each other and step ahead, like a wonderful team?

Where else can you watch your kids climb over the obstacles that would one day feel like a walk in the park?

Your visit to **DISTRICT GRAVITY** will make you **rediscover the adventurer within you, as you**

- Confront gravity in all its glory
- Focus one step at a time when gravity begins to work on your adrenaline
- Turn a crack into a foothold as you work your way to the top of a sheer vertical wall face

ADVENTURE CIRCUIT :

Adventure Circuits are 2-3 Hour composite adventure experiences from which you can choose the experiences that match your preference & your aptitude and even try the ones that you aim for:

- **Individual Day Outing Circuit**
- **Friends Day Outing Circuit**
- **Team building Circuit**
- **Family Day Outing Circuit**
